

Intro to *Youth Voice* Training

*You need to
unlock the power
of Youth Voice
to improve
your business
outcomes*

1

Develop the confidence to get started with our series of three introductory youth engagement workshops

2

Young people will teach you **WHY** to listen and show you **HOW** to engage effectively

3

Work with young people to create a youth-centric, focused action plan

You'll leave with

- Appreciation of the value and power of youth voice to your business
- Practical youth engagement skills
- Knowledge of youth voice academic frameworks
- A focused, co-designed youth engagement action plan

What's included

- Six hours of professional development, across three workshops
- Co-facilitation with young people
- Youth perspective, challenge and testing throughout
- Free access to your workshop resources for one year

"We really enjoyed the training session... It was very interactive, thought-provoking and had championing youth voice at the heart of it. The session was very inspiring for all of us, we left excited to embed the training into our work and share it with our wider team."
