

Youth Engagement Diagnostic & Roadmap

Improve your organisation with young people's insight: led by your team and supported by Participation People.

Unlock the full potential of your youth engagement efforts with our comprehensive diagnostic and strategy co-creation services. Let us guide you from uncertainty to clarity, transforming your approach to engaging young people effectively.

Diagnostic

Begin with our comprehensive Youth Engagement Diagnostic, a deep dive into your current strategies to uncover hidden strengths and pinpoint areas needing attention. This thorough analysis lays the foundation for developing a more focused and effective engagement approach.

Youth Insight

Tap into the power of genuine youth insight. By directly engaging with young people, our sessions provide a wealth of perspectives that illuminate their true needs, preferences, and aspirations. This invaluable feedback is instrumental in crafting strategies that genuinely connect and resonate.

Roadmap

Advance confidently with a bespoke Youth Engagement Roadmap tailored to your unique engagement goals. Drawing from diagnostic insights and enriched by youth perspectives, we co-create a detailed step-by-step directions for enhancing your engagement efforts.

Testimonial

"When we began working with Participation People, we had no idea about how transformational the process would be in seeing ourselves afresh. This transformation will help not just in terms of youth engagement but in every aspect of how we are seen and supported."
